

Southern Cycle Saunter

25ish miles of cycling fun

Sunday 16th September 2018. Starts Abbots Pass (Leigh Village)
Hall, Bunce Common Road, Dawes Green, Reigate RH2 8NP

The SCS - a road cycling rally with a difference. All you need is to be street-wise about the countryside, solve the clues to help navigate and find the checkpoints. Each checkpoint will involve a short challenge - a good fun day out for all! Dress for the weather. Please consider wearing a cycle helmet and some high-visibility clothing. Cold drinks and biscuits will be available at the checkpoints. Bring a packed lunch. There will also be drinks and cakes at the finish, provided free to entrants. Each team must have the latest Ordnance Survey map Explorer 146. Bring a compass, pen, and puncture repair kit - and a bike! A small first aid kit is also recommended. All ages are welcome - families and individuals. However, you must enter in teams of between two and four people and at least one person in each team must be 16+. It is not a race and teams will leave at staggered intervals, in order of solving of a Route Quiz. A trophy will be presented to the team gaining the most quiz points and there will be certificates for all finishers. The start is from the Abbots Pass (Leigh Village) Hall Grid Reference TQ 21656 47066.
